RETURN TO SARAJEVO

Sculpt a ski slope.
Build it high.
The better for
A sniper's eye.

Dig an ice rink
Deep and wide.
Leave them no more
Place to hide.

Consecrate
The bleachers there.
Convert them to
The victim's bier.

Olympic circles
Row on row
Replaced by blood pools
On the snow.

Fickle
We look the other way.
And in a new arena
Play.
