**THE "TAIL" OF A CAT**
**OR . . . CAN YOU BELIEVE THAT?**

Roxanne the Cat
Wears a purple straw hat
And red shoes three sizes too large.

She will not eat meat
Except crawdaddy feet
Which she buys from a man on a barge.

She likes cookies and pies
And strawberry french fries
Which she eats with a huge silver spoon.

She wears rings on her tail
(Which she purchased on sale)
And square sunglasses she bought last June.

She drives a pink jeep
With red polka dot seats
And a horn that plays "Here Comes The Bride."

She's a waitress by day
At the Kool Kat Kafé
And plays drums in their rock band besides.

If you should see Roxanne
When you're out at the mall
Say "Hello!" and ask her to give me a call.
