SOUNDS LIKE A PLAN!

By my 60th birthday I planned to be thin.
I planned to be stellar and wise.
I planned to be rich and have a surgical witch
Zap the bags out from under my eyes.

But when the day came, I was still just the same
And to judge from the size of my torso
By my 61st birthday I'm still going to be
Just plain old me, only MORE SO!

2000 Honorable Mention, Humorous Verse
