COLORING OUTSIDE THE LINES

Our eyes meet
And, giggling, we,
Slip the bonds
Of reality.

To Never-Never Land
We fly
My little Tinker Bell
And I.

We plan to stay
'Til half past three
When the Queen of Hearts
Serves up high tea.

But her mother calls
And two soul-mates, we,
Come down to earth
Reluctantly.

Still, we share a fine
Conspiracy,
My daughter's daughter
And me.
